

IDENTIFYING TOP TALENT FOR YOUR TEAM

1. Statement of Work projects
2. Hiring of contract professionals

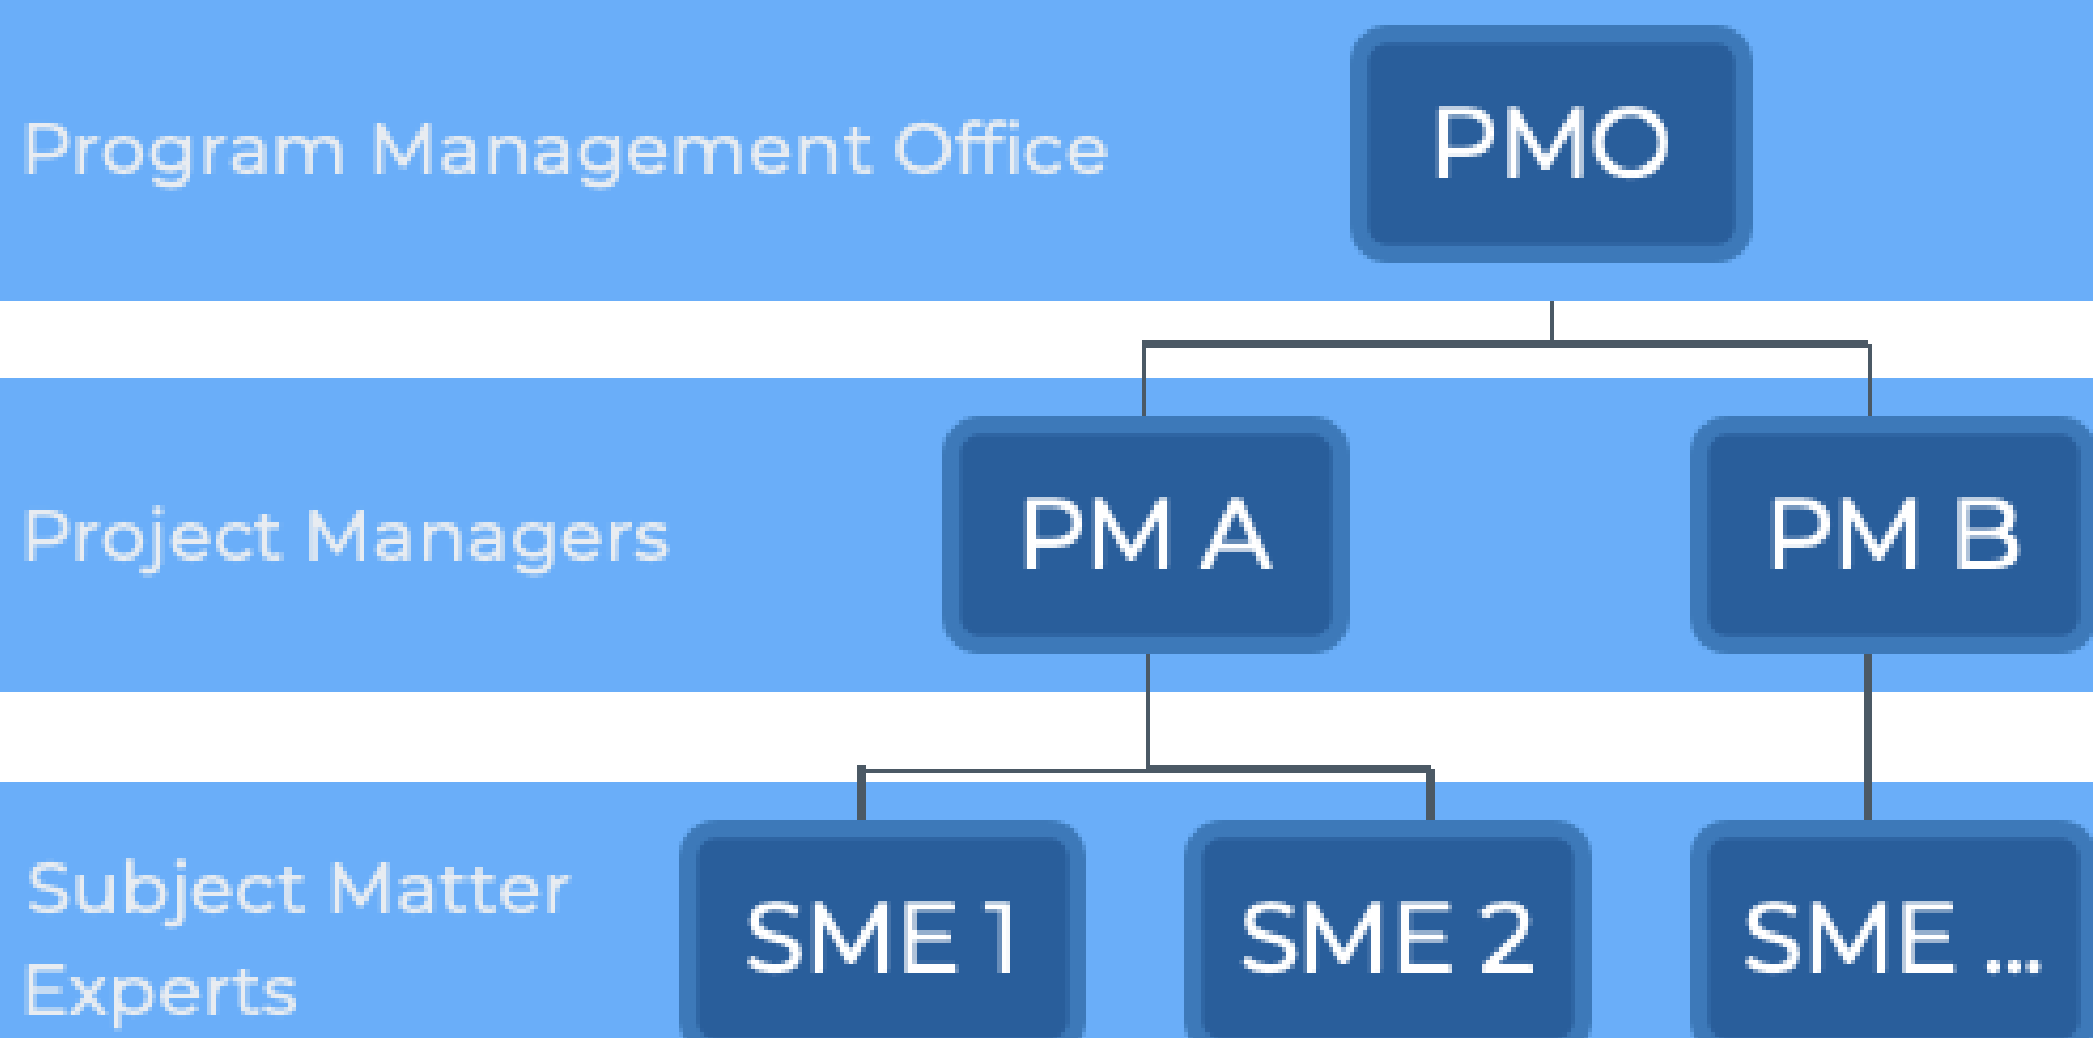

HOW WE HELP OUR CLIENTS

Our team helps companies resolve short or long term capacity or capability gaps with **highly skilled** and **experienced** consultants.

WE SUPPORT A WIDE VARIETY OF ROLES

We have **deep expertise** in Quality Assurance, Compliance, Validation, Manufacturing, and Supply Chain.

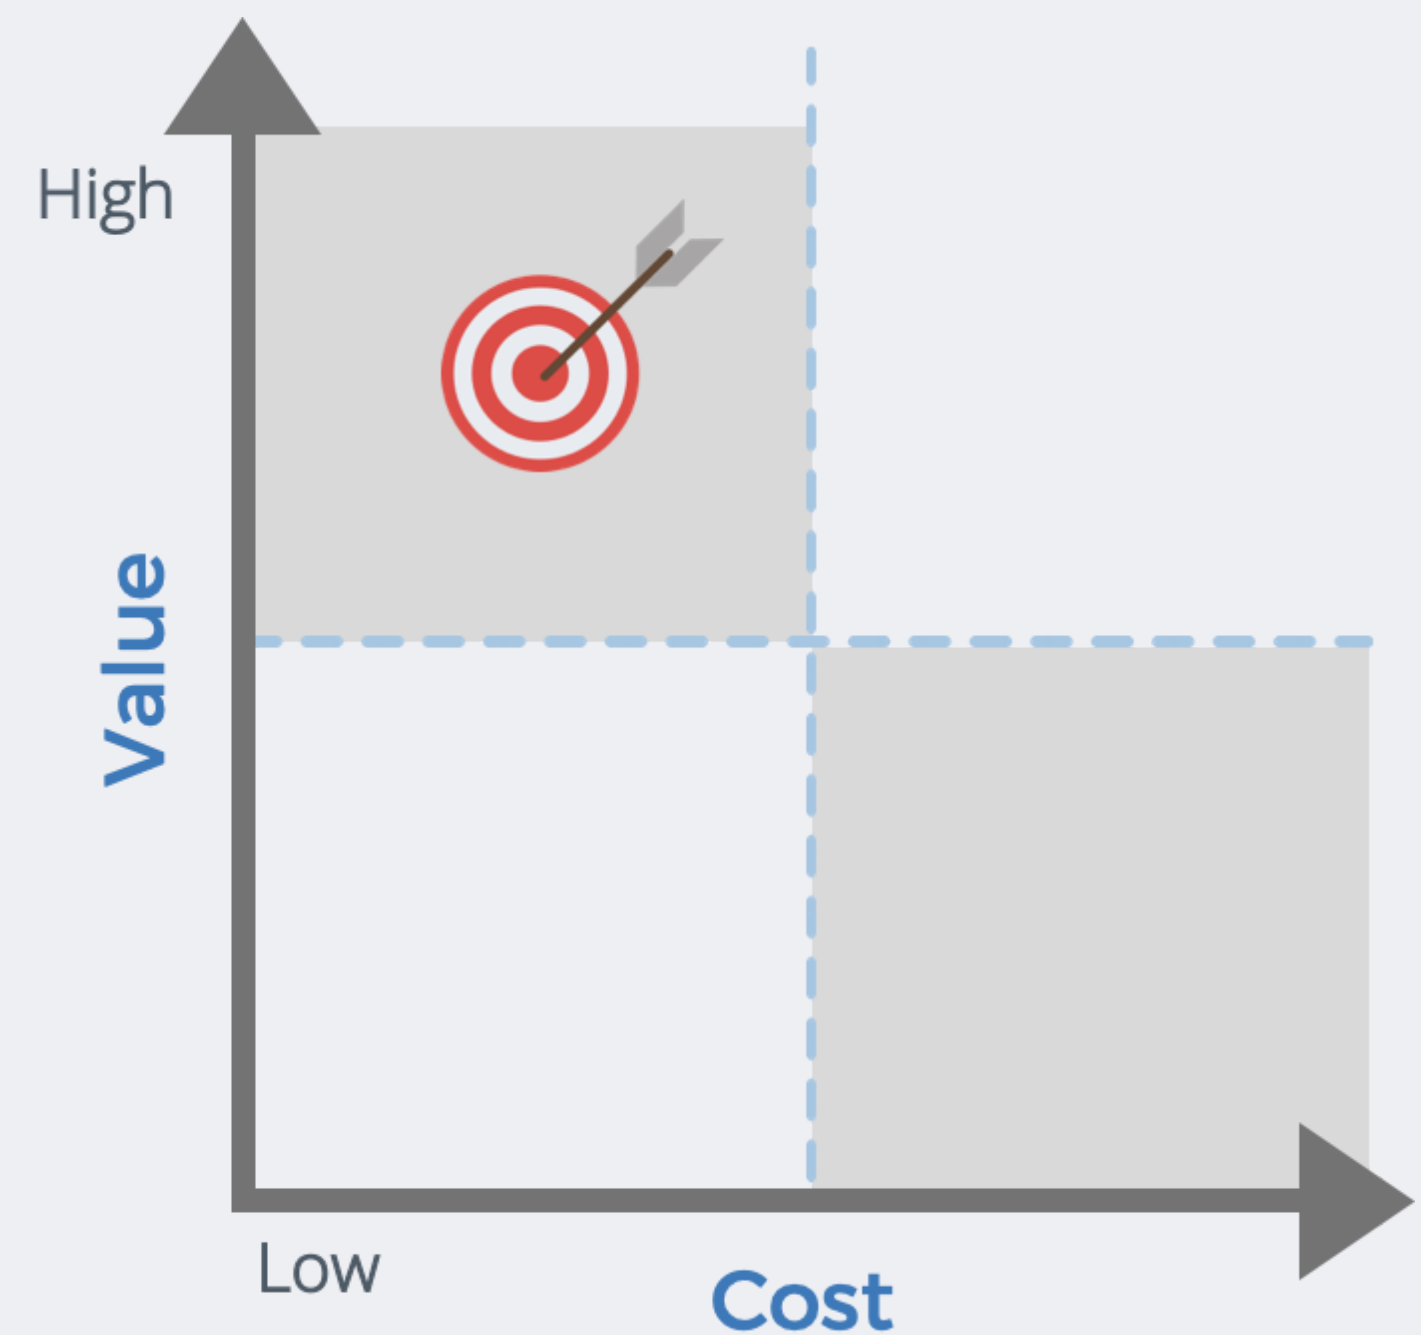

- Quality System Investigators
- CAPA Engineers
- Validation and Reliability Engineers
- Laboratory Experts
- Document Review Specialists

In addition to bridging capacity or capability gaps, we help solve problems and troubleshoot within these functions.

www.linkedin.com/company/oqsie

We offer the **best value** for our client's money in the industry.

More than **80%** of our clients are repeat clients or referrals.

Project Examples

1. Subject Matter Expert resolved complex CAPAs in client's cold chain distribution system.
2. Program Manager led PMO for Warning Letter remediation.
3. Project Manager led remediation of training program.

Client Testimonials

"Always enjoy collaborating with OQSIE consultants, they push my team's thinking in the right direction, to a better place than we imagined when we started the project"

- **Executive at Pharmaceutical Company**

"In our quarterly performance review process, all OQSIE consultants were listed in the high-performer group, none of the other firms supporting us achieved this, keep up the great work!"

- **Executive at Medical Device Company**
